CHAPTER REFERRED TO IN OTHER SECTIONS

This chapter is referred to in sections 702, 741, 1116, 1347 of this title.

SUBCHAPTER I—GENERAL PROVISIONS

§ 1301. Findings

The Congress finds that—

(1) the bankruptcy of the Penn Central and other railroads in the Northeast and Midwest resulted in a transportation emergency which required the intervention of the Federal Government;

(2) the United States Government created the Consolidated Rail Corporation, which provides essential rail service to the Northeast and Midwest;

(3) the future of rail service in the Northeast and Midwest is essential and must be protected through rail service obligations, consistent with the transfer of the Corporation to the private sector;

(4) the Northeast Rail Service Act of 1981 has achieved its purpose in allowing the Corporation to become financially self-sustaining;

(5) the Federal Government has invested over \$7,000,000,000 in providing rail service to the Northeast and Midwest;

(6) the Government, as a result of its ownership and investment of taxpayer dollars in the Corporation, controls substantial assets, including cash of approximately \$1,000,000,000;

(7) the Corporation's viability and sound performance allow it to be sold to the American public for a substantial sum through a public offering;

(8) a public offering of the Corporation's stock will preserve competitive rail service in the region, provide a reasonable return to the Government, and protect employment;

(9) the Corporation's employees contributed significantly to the turnaround in the Corporation's financial performance and they should share in the Corporation's success through a settlement of their claims for reimbursement for wages below industry standard, and a share in the common equity of the Corporation;

(10) the requirements of section 761(e)¹ of this title are met by this chapter; and

(11) the Secretary of Transportation has discharged the responsibilities of the Department of Transportation under the Northeast Rail Service Act of 1981 with respect to the sale of the Corporation as a single entity.

(2) The Secretary of Transportation, after such consultation, may elect to offer less than all of the United States shares for sale at the time of the initial sale.

(3) Under no circumstances shall the Secretary of Transportation offer any of the United States shares for sale unless, before the sale date, the Secretary determines, after such consultation, that the estimated sum of the gross proceeds from the sale of all the United States shares will be an adequate amount. A determination by the Secretary under this paragraph shall not be reviewable.

(4) In making a determination under paragraph (3), the Secretary shall have the goal of obtaining at least \$2,000,000,000 in aggregate gross proceeds from the United States from the public offering and any payments made under section 1311(b) of this title.
